PRINCE2 NORDIC FORUM 2009- The Project Management Event of the year!

Are you ready to save time, effort and money at your next projects? Would you like to avoid making mistakes and learn from other's experiences? Are you interested to hear about the latest trends in Project Management? If so, you should visit PRINCE2 Nordic Forum 2009!

PRINCE2 Nordic Forum will take place between 8.00-13.00 on 15th October at Finlandshuset in the city centre of Stockholm. This event is for you who are working with projects and the event will be visited by people interested in project management from the whole Nordics.

We are happy to present many international speakers at PRINCE2 Nordic Forum 2009, such as Birna Ósk Einarsdóttir, Director - PMO and Security at Síminn Icelandic Telecom. Ms Einarsdóttir will tell you about her experiences regarding with the implementation of PRINCE2 and Scrum. Andy Murray, lead author of the manual *Managing Successful Projects with PRINCE2* will tell you more about the latest trends in project management and the 2009 update of PRINCE2.

Other topics at the PRINCE2 Nordic Forum 2009 are:

- The benefits of using project methodologies.
- Implementation of PRINCE2 at OKQ8.
- MSP, Managing Successful Programmes – a rapidly growing Programme Management Methodology.
- P30, Project, Programme & Portofolio Offices – a guide how to set up PMO's.

At the PRINCE2 Nordic forum you will:

- ✓ Learn about the latest trends within project, programme and portfolio management.
- ✓ Listen to interesting speakers and experts.
- ✓ Learn more about the project management methodology PRINCE2.
- ✓ Discover different project management tools and project management literature.
- ✓ Network with people interested in project management

Participation is free of charge. Reserve your seat by e-mailing your contact details to Hanna.gustafsson@qrpmmi.com. The number of participants is limited so reserve your seat today!
